

# TO BE LIKE *Jesus*

WEEK OF SPIRITUAL  
ENCOURAGEMENT 2023

## COMPASSIONATE

*Jesus's compassion was for those who were deemed by society as unworthy. The sick and disabled flocked to this man who heard their cries for help, understood their pain on a personal level, and gave them relief from their burdens. Not only did Jesus heal their physical bodies, He restored their mental health and spiritual well-being. His care was holistic, comprehensive and specific. We, too, are called to such compassion.*

“We should wonder why evil seems to win too often, and at the same time, we should know that our God loves people, loves the oppressed and the poor – they are His.”

**Pastor Tammie Lindsey**  
Associate Pastor, Berean church
