

TO BE LIKE *Jesus*

WEEK OF SPIRITUAL
ENCOURAGEMENT 2023

JUST

Jesus cared about the injustices that others experienced and wasn't silent when confronted by them.

Throughout Scripture, we are called to live lives of righteousness and justice as we walk with God. We are warned not to turn a blind eye or keep silent when others are being treated unfairly but instead to be an advocate, protest against wrongful acts, and make change in our spheres of influence.

"I read the entire Bible, Ellen White, Victor Hugo, Dr. King, and others, all looking for an answer to that question: What about justice? It turns out, quite a lot."
